

Model Local Rule G-12.

Prohibiting use of any materials to help read the line of play for stroke from putting green.

This is a new Local Rule for R&A Amateur Championships. Please take note of the following guidance:

✘ During a round, **you** (and your **caddie** if you are allowed one) must **not** use **any** written, printed, electronic or digital materials to help with reading your line of play for any stroke to be made from the putting green.

This includes using your yardage book, any charts, graphs or other notes when your ball is on the putting green for the specific purpose of reading your line of play.

✔ When your ball is on the putting green, you can use your yardage book for other reasons that do not help you read the line of play such as:

- writing notes relating to the previous shot
- checking the yardage for the next hole.

⚠ You are responsible for your caddie's action during the round. You get the penalty if your caddie breaches this Rule.

PENALTY FOR BREACH OF THIS LOCAL RULE:

Penalty for first breach:
GENERAL PENALTY

Penalty for second breach:
DISQUALIFICATION
