

## SPECTATOR GUIDELINES

Spectators (Companions/ Supporters) are allowed to be on the golf course for all rounds.

The Organizing Committee appreciates the support provided by parents, relatives, coaches and other spectators who attend our events. In order to run our tournaments in the most effective manner and provide enjoyment for all involved, we need all non-players to abide by the following guidelines throughout the tournament experience:

Spectator are allowed to follow the competitors by walk as no buggy available can be rented from Club House for spectators. Stay in the cart path, in the rough and at least 50 meters **away from those playing throughout the course of the match. Do not enter teeing area, green area, or as walk in the fairways while following the competitor.**

Spectator must not give advice – verbal comments or action (demonstrate how to play, apply the rules). Advice (Rule 10.2a) is any verbal comment or action (such as showing what club was just used to make a stroke) that is intended to influence a player in: choosing a club, making a stroke, or deciding how to play during a hole or round.

In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives/ supporter and spectators in regard to this rule.

Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.

Spectators can help look for lost balls, be a spotter and come closer to the green (at least 50 meters away) to watch when the players are putting.

Spectators need to be aware of other players on the course. Please do not lag behind which prevents the group behind from playing their shots.
